Scope

Cancer Prevention Research is devoted exclusively to cancer prevention. The Journal publishes important original studies, reviews, and commentaries within the major topic areas of biology of premalignancy, risk factors and risk assessment, early detection research, immunoprevention and chemopreventive and other interventions, including the basic science behind them. The Journal includes preclinical, clinical and translational research, with special attention given to molecular discoveries and an emphasis on building a translational bridge between the basic and clinical sciences.

Cancer Prevention Research is abstracted and/or indexed in Current Contents/Clinical Medicine, MEDLINE, Science Citation Index, Scopus, and Web of Science.

Submission of Manuscripts

Online manuscript submission is welcomed at <http://capr.msubmit.net>. Before submitting a manuscript, please read the Instructions for Authors, which is available from the Journal's home page at <http://cancerpreventionresearch.aacrjournals.org>.

Publication Charges

Beginning with manuscripts submitted January 1, 2016 or after, articles will be published with the understanding that the author(s) will pay both a publication fee plus a color figure handling fee. Please see the Instructions for Authors, which are available from the Journal's home page at <http://cancerpreventionresearch.aacrjournals.org/>.
